SERVES 12

INGREDIENTS:

2 T or half stick butter
3 C mini marshmallows
5-6 C Multi-Grain Cheerios
½ C dry roasted peanuts
½ C cashew bits
1/3 C raisins
¼ C currants
½ C dark chocolate morsels
1/3 C smooth peanut butter

DIRECTIONS:

Melt the butter in micro. Add the marshmallows and heat until they're melted and you can whisk them into a white, creamy mixture. Add the Cheerios. Spread into a buttered square dish. Any size is fine based on how thick or thin you want them. Now, mix the nuts, currants, raisins, and chocolate and heat in micro til chocolate is soft but not too hot. Add the peanut butter and mix thoroughly. Spread the mixture over the Cheerios. Let cool. Cut and serve!
