

## Radish Fennel Salad with Lime Honey Vinaigrette

Camine Pappas / June 2016

### INGREDIENTS:

1 C shaved fennel bulb, using the white part and not the upper green stalks.

Finely chop and add the fennel fronds

4 thinly sliced radishes

Handful fresh cilantro

1 T fresh squeezed lime juice

1 T white balsamic vinegar like a honey balsamic

1 T fine olive oil

Salt and pepper to taste

### DIRECTIONS:

Whisk dressing and add to fennel, radishes and cilantro. Can let sit for several hours to create more of a pickled salad, or serve right away for something crisp and fresh.
