

Spicy Costco Mushroom Meatballs

Camine Pappas / 2006

INGREDIENTS:

14 meatballs (they come frozen, no need to thaw before using)

1 can Cream of Mushroom Soup

½ C 2% milk

1 T soy sauce

1 t red pepper flakes (can do less if desired but this is just the right kick!)

Black pepper and a pinch of salt

DIRECTIONS:

Place the meatballs in a saucepan with about 3 T water, slowly simmer until tender. Only takes about 10 minutes.

In a separate bowl combine the soup, milk, soy sauce and peppers. Pour over the meatballs and let simmer until hot, just about 3 minutes. Serve over white rice!
